

WINNING POSTER . . . Craig Cochran, an eighth grader at Lincoln School, displays the poster which won him a first place in a national safety poster contest sponsored by the American Automobile Assn.

Lincoln School Pupil Wins National Poster Contest

An eighth grader at Lincoln School has won first place in a National Safety Poster Contest. Craig Cochran, son of Mr. and Mrs. Kenneth Howland, won first place in the Junior High School division, one of three divisions in which awards are made annually. The other two divisions are for high school and elementary school pupils.

SOME 16,000 other students from throughout the United States and Canada entered the contest sponsored by the American Automobile Assn.

This was the local youth's first artistic endeavor.

According to Lincoln School Principal, Ernest Thom, and Craig's teacher, James Latimer, his art work is not his only accomplishment. In the four years he has been at Lincoln Elementary School he has proved himself a scholar by earning excellent grades; he is an outstanding athlete, both in school and as a member of the Torrance Pony League; and his leadership among his fellow classmates is borne out by the fact that they recently elected him president of the Student Council this year.

"CRAIG COCHRAN," stated Thom, "is what we consider an All-American boy. We hate to see him leave in June," he continued, "but our loss will be North High School's gain."

The entire student body gathered at a special assembly recently to honor Craig as Ron Field, safety consultant of the Automobile Club of Southern California, representing the national organization, presented him with the award.

Republicans Plan Course On Politics

The Palos Verdes Peninsula Republican Men's Club will offer the second session of a practical course in political action beginning today.

William Woolson, executive director of Republican Assoc., will instruct the series of four, two-hour lessons, to be held in the presidential suite of the Plush Horse Inn, Redondo Beach.

Cost of the course is \$6, including text books. More information is available through Norman DeWitt at DA 5-2790.
